

Cargo Container Delivery Terms and Conditions

FOR DELIVERY:

Remember, you must have an accessible place to drop the container or pay round-trip charges. Accessible means we can safely get to the spot with our truck or truck and trailer and then unload the container. This determination will be made by the driver. For the 20' containers on the flatbed truck we need a straight area of 100' and for the 40' containers we need 110' of straight space. We must also be able to get in and out with our vehicles. Problems often occur with delivery if there are tight turns, abrupt elevation changes, low branches or wires, etc. We are all professional drivers and we have very few problems with deliveries but we are 65' long (picture full size Wal-Mart Semi) and we do have limitations.

Additional charges may be added @ \$150 hour for the following:

1) Round trip charges for containers that must be returned to our yard. Please make sure you are buying the correct grade of container and there is a safe place to drop the container. If we have to take the container back for any reason we have to charge for round trip delivery. Seller and buyer agree that title for the contract of goods will pass to the buyer prior to shipping from the seller's premises.

2) Delays in the delivery not caused by us (we allow 30 minutes for delivery and payment before delivery).

Please remember that roads and delivery sites MUST be accessible for delivery. The customer is responsible for all expenses related to bad roads, bridges, mud, etc. This includes tow truck expenses if needed.

Any change of door direction within 48 hours before delivery may result in a \$100 change fee. Any change in scheduling for delivery within 2 business days of delivery time may result in a \$200 fee. Weekends are not business days.

Any cancellation of container purchase may result in a \$200 cancellation fee. Containers are only stored for up to 30 days before cancellation unless specifically agreed in writing.

Pay with a check or cash before delivery. If you elect to pay the balance by credit card, there is a 4% processing fee so please be sure to be prepared with your form of payment.
